The information set forth in Item 2.03 of this Current Report on Form 8-K is incorporated by reference into this Item 1.01.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On July 6, 2026, Extra Space Storage LP (the “Issuer”), a Delaware limited partnership and subsidiary of Extra Space Storage Inc. (the “Company”), completed an underwritten public offering of \$550,000,000 aggregate principal amount of its 4.900% Senior Notes due 2032 (the “Notes”).

The Notes are fully and unconditionally guaranteed (the “Guarantee”) by the Company, ESS Holdings Business Trust I, a Massachusetts business trust (“EHBT I”), and ESS Holdings Business Trust II, a Massachusetts business trust (“EHBT II” and, together with EHBT I and the Company, the “Guarantors”). The terms of the Notes are governed by an indenture, dated as of May 11, 2021 (the “Base Indenture”), by and among the Issuer, the Guarantors and Computershare Trust Company, N.A., as successor trustee to Wells Fargo Bank, National Association, as trustee (the “Trustee”), as supplemented by a sixteenth supplemental indenture, dated as of July 6, 2026 (the “Sixteenth Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), by and among the Issuer, the Guarantors and the Trustee. The Indenture contains various restrictive covenants, including limitations on the ability of the Issuer and its subsidiaries to incur additional indebtedness and requirements to maintain a pool of unencumbered assets. Copies of the Base Indenture and the Sixteenth Supplemental Indenture, including the form of Notes and the Guarantee, the terms of which are incorporated herein by reference, are attached as Exhibits 4.1 and 4.2, respectively, to this Current Report on Form 8-K.

The public offering price for the Notes was 99.702% of the principal amount thereof. The Notes are the Issuer’s senior unsecured obligations and rank equally in right of payment with all of the Issuer’s other existing and future senior unsecured indebtedness. However, the Notes are structurally subordinated in right of payment to all of the Issuer’s existing and future mortgage indebtedness and other secured indebtedness (to the extent of the collateral securing the same) and to all existing and future indebtedness and other liabilities, whether secured or unsecured, of the Issuer’s subsidiaries and of any entity the Issuer accounts for using the equity method of accounting and to all preferred equity not owned by the Issuer, if any, in its subsidiaries and of any entity the Issuer accounts for using the equity method of accounting. The Notes bear interest at 4.900% per annum. Interest is payable on February 1 and August 1 of each year, beginning February 1, 2027, until the maturity date of February 1, 2032.

The Issuer may redeem the Notes in whole at any time or in part from time to time, at the Issuer’s option and sole discretion, at a redemption price equal to the greater of:

- 100% of the principal amount of the Notes being redeemed; and
- a make-whole premium calculated in accordance with the Indenture;

plus, in each case, accrued and unpaid interest thereon to, but not including, the applicable redemption date.

Notwithstanding the foregoing, on or after January 1, 2032 (one month prior to the maturity date of the Notes), the redemption price will be equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest thereon to, but not including, the applicable redemption date.

Certain events are considered events of default, which may result in the accelerated maturity of the Notes, including:

- default for 30 days in the payment of any installment of interest under the Notes;
- default in the payment of the principal amount or redemption price due with respect to the Notes, when the same becomes due and payable; provided, however, that a valid extension of the maturity of the Notes in accordance with the terms of the Indenture shall not constitute a default in the payment of principal;
- failure by the Issuer or any of the Guarantors to comply with any of the Issuer’s or the Guarantors’ respective other agreements in the Notes or the Indenture with respect to the Notes upon receipt by the Issuer of notice of such default by the Trustee or by holders of not less than 25% in aggregate principal amount of the Notes then outstanding and our failure to cure (or obtain a waiver of) such default within 60 days after it receives such notice;

- failure to pay any debt (other than non-recourse debt) for monies borrowed by the Issuer, any Guarantor or any of their respective Significant Subsidiaries (as defined in the Indenture) in an outstanding principal amount in excess of \$100.0 million at final maturity or upon acceleration after the expiration of any applicable grace period, which debt (other than non-recourse debt) is, or has become, the primary obligation of the Issuer or such Guarantor and is not discharged, or such default in payment or acceleration is not cured or rescinded, within 60 days after written notice to the Issuer from the Trustee (or to the Issuer and the Trustee from holders of at least twenty five percent (25%) in principal amount of the outstanding Notes); and
- certain events in bankruptcy, insolvency or reorganization, or court appointment of a receiver, liquidator or trustee of the Issuer, any Guarantor, or any Significant Subsidiary or all or substantially all of their respective property.

The description of the Indenture in this Current Report on Form 8-K is a summary and is qualified in its entirety by the full text of the Indenture. The Notes were offered pursuant to an effective shelf registration statement originally filed with the Securities and Exchange Commission on April 15, 2024 (Registration No. 333-278690), as amended, a base prospectus included therein, dated April 15, 2024, and a prospectus supplement, dated June 24, 2026, filed with the Securities and Exchange Commission pursuant to Rule 424(b) under the Securities Act of 1933, as amended. In connection with the filing of the prospectus supplement, we are filing as Exhibit 5.1 to this Current Report on Form 8-K an opinion of the Issuer's counsel, Latham & Watkins LLP, regarding the validity of the Notes and related Guarantee, as Exhibit 5.2 to this Current Report on Form 8-K an opinion of the Company's counsel, Venable LLP, regarding certain Maryland law issues, and as Exhibit 5.3 to this Current Report on Form 8-K an opinion of EHBT I and EHBT II's counsel, Verrill Dana LLP, regarding certain Massachusetts law issues.

The Company shall promptly notify the Trustee of such special record date and shall cause notice of the proposed payment of such Defaulted Interest and the special record date therefor to be sent to each Holder at its address as it appears in the register, not less than 10 calendar days prior to such special record date. Notice of the proposed payment of such Defaulted Interest and the special record date therefor having been so mailed, such Defaulted Interest shall be paid to the persons in whose names the Notes are registered at 5:00 p.m., New York City time, on such special record date and shall no longer be payable pursuant to the following clause (b) of this Section 2.5.

Such Additional Notes will rank equally and ratable in right of payment and will be treated as a single series for all purposes under the Indenture.

FORM OF THE SECURITIES**

So long as the Depository, or its nominee, is the registered owner of the Global Note, the Depository or its nominee, as the case may be, will be considered the sole Holder of the Notes represented by the Global Note for all purposes under the Indenture.

The Notes shall not be issuable in definitive form except as provided in Section 3.2(a) of this Sixteenth Supplemental Indenture. The Notes and the Trustee's certificate of authentication shall be substantially in the form attached as Exhibit A hereto. The Company shall execute and the Trustee shall, in accordance with Section 2.3 of the Base Indenture, authenticate and hold each Global Note as custodian for the Depository. Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Registrar or the custodian, at the direction of the Trustee. The terms and provisions contained in the form of Note attached as Exhibit A hereto shall constitute, and are hereby expressly made, a part of the Indenture and, to the extent applicable, the Company, each Guarantor and the Trustee, by their execution and delivery of this Sixteenth Supplemental Indenture, expressly agree to such terms and provisions and to be bound thereby.

Participants of the Depository shall have no rights either under the Indenture or with respect to the Global Notes. The Depository or its nominee, as applicable, shall be treated by the Company, each Guarantor, the Trustee and any agent of the Company, such Guarantor or the Trustee as the absolute owner and Holder of such Global Notes for all purposes under the Indenture. Notwithstanding the foregoing, nothing herein shall prevent the Company, any Guarantor or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or its nominee, as applicable, or impair, as between the Depository and its participants, the operation of customary practices of such Depository governing the exercise of the rights of an owner of a beneficial interest in the Global Notes.

Section 3.2 Transfer and Exchange.

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes will be exchanged by the Company for Definitive Notes if:

(1) the Company delivers to the Trustee notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Company within 120 days after the date of such notice from the Depositary; or

(2) the Company, at its option, determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; or

(3) upon request from the Depositary if there has occurred and is continuing a Default or Event of Default with respect to the Notes.

Upon the occurrence of any of the preceding events in (1), (2) or (3) above, Definitive Notes shall be issued in registered form in such names as the Depositary shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.8 and 2.11 of the Base Indenture. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 3.2 or Section 2.8 and 2.11 of the Base Indenture, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 3.2(a); however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 3.2(b) or (c).

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions of the Indenture and the Applicable Procedures. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Global Note may be transferred to persons who take delivery thereof in the form of a beneficial interest in a Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 3.2(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 3.2(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

both:

(A) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(B) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

both:

(C) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(D) instructions given by the Depositary to the Registrar containing information regarding the person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (b)(1) above.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Sixteenth Supplemental Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 3.2(g).

(c) *Transfer and Exchange of Beneficial Interests in Global Notes for Definitive Notes.* If any holder of a beneficial interest in a Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in Section 3.2(b)(2) and written notice to the Trustee, the Trustee will cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 3.2(g) hereof, and the Company will execute and, upon the receipt of an Authentication Order, the Trustee will authenticate and deliver to the person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 3.2(c) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest requests through instructions to the Registrar from or through the Depositary and the Participant or Indirect Participant. The Trustee will deliver such Definitive Notes to the persons in whose names such Notes are so registered.

(d) *Transfer and Exchange of Definitive Notes for Beneficial Interests in Global Notes.* A Holder of a Definitive Note may exchange such Note for a beneficial interest in a Global Note or transfer such Definitive Notes to a person who takes delivery thereof in the form of a beneficial interest in a Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee will cancel the applicable Definitive Note and increase or cause to be increased

the aggregate principal amount of one of the Global Notes. If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to the previous sentence at a time when a Global Note has not yet been issued, the Company will issue and, upon receipt of an Authentication Order in accordance with Section 3.2, the Trustee will authenticate one or more Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 3.2(e), the Registrar will register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 3.2(e). A Holder of Definitive Notes may transfer such Notes to a person who takes delivery thereof in the form of a Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Definitive Notes pursuant to the instructions from the Holder thereof.

(f) *Legend.* Each Global Note issued under the Indenture, unless specifically stated otherwise in the applicable provisions of the Indenture, will bear a legend in substantially the following form:

At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order or at the Registrar’s request.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.11 and 9.6 of the Base Indenture and Section 4.3 of this Sixteenth Supplemental Indenture).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under the Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Company will be required:

(A) to issue or register the transfer or exchange of any Note during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of the notes selected for redemption under Article IV and ending at the close of business on the day of such mailing;

(B) to register the transfer or exchange of any Note so selected for redemption, in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding Interest Payment Date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company shall deem and treat the person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 3.1 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 3.2 to effect a registration of transfer or exchange may be submitted by facsimile.

(i) The transferor shall also provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(j) None of the Trustee or any Agent shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(k) None of the Trustee or any Agent shall have any responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or other person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other person (other than the Depository) of any notice (including any notice of optional redemption) or the payment of any amount, under or with respect to such Notes.

ARTICLE IV
REDEMPTION OF NOTES

The provisions of Article III of the Base Indenture, as amended by the provisions of this Sixteenth Supplemental Indenture, shall apply to the Notes.

Section 4.1 Optional Redemption of Notes.

Prior to the Par Call Date, the Company may redeem the Notes at its option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) (the “**Redemption Price**”) equal to the greater of (i) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the Notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points less (b) interest accrued to, but excluding, the Redemption Date; and (ii) 100% of the principal amount of the Notes; plus, in either case, accrued and unpaid interest thereon to, but excluding, the Redemption Date. Notwithstanding the foregoing, if the Notes are redeemed on or after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest thereon to, but excluding, the Redemption Date. Notwithstanding the foregoing, if the Redemption Date falls after a Record Date and on or prior to the corresponding Interest Payment Date, the Company will pay the full amount of accrued and unpaid interest, if any, on such Interest Payment Date to the Holder of record at the close of business on the corresponding Record Date (instead of the Holder surrendering its Notes for redemption). The Company shall not redeem the Notes pursuant to this Section 4.1 if on any date the principal amount of the Notes has been accelerated, and such acceleration has not been rescinded or cured on or prior to such date. The Company’s actions and determinations in determining the Redemption Price shall be conclusive and binding for all purposes, absent manifest error.

Section 4.2 Notice of Optional Redemption, Selection of Notes.

(a) In case the Company shall desire to exercise the right to redeem all or, as the case may be, any part of the Notes pursuant to Section 4.1, it shall fix a date for redemption and it or, at its written request received by the Trustee not fewer than five Business Days prior (or such shorter period of time as may be acceptable to the Trustee) to the date the notice of redemption is to be sent, the Trustee in the name of and at the expense of the Company, shall mail or cause to be mailed, or sent by electronic transmission, a notice of such redemption not fewer than ten calendar days but not more than sixty calendar days prior to the Redemption Date to each Holder of Notes to be redeemed at its last address as the same appears on the Register; *provided* that if the Company makes such request of the Trustee, it shall, together with such request, also give written notice of the Redemption Date to the Trustee, *provided further* that the text of the notice shall be prepared by the Company. Such mailing shall be by first class mail or by electronic transmission. The notice, if sent in the manner herein provided, shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or electronic submission or any defect in the notice to the Holder of any Note designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Note.

(b) Each such notice of redemption shall specify: (i) the aggregate principal amount of Notes to be redeemed, (ii) the CUSIP number or numbers of the Notes being redeemed, (iii) the Redemption Date (which shall be a Business Day), (iv) the Redemption Price at which Notes are to be redeemed, (v) the place or places of payment and that payment will be made upon presentation and surrender of such Notes and (vi) that interest accrued and unpaid to, but excluding, the Redemption Date will be paid as specified in said notice, and that on and after said date interest thereon or on the portion thereof to be redeemed will cease to accrue. If fewer than all the Notes are to be redeemed, the notice of redemption shall identify the Notes to be redeemed (including CUSIP numbers, if any). In case any Note is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that, on and after the Redemption Date, upon surrender of such Note, a new Note or Note in principal amount equal to the unredeemed portion thereof will be issued.

(c) On or prior to the Redemption Date specified in the notice of redemption given as provided in this Section 4.2, the Company will deposit with the Paying Agent (or, if the Company is acting as its own Paying Agent, set aside, segregate and hold in trust as provided in Section 2.5 of the Base Indenture) an amount of money in immediately available funds sufficient to redeem on the Redemption Date all the Notes (or portions thereof) so called for redemption at the appropriate Redemption Price; *provided* that if such payment is made on the Redemption Date, it must be received by the Paying Agent, by 11:00 a.m., New York City time, on such date. The Company shall be entitled to retain any interest, yield or gain on amounts deposited with the Paying Agent pursuant to this Section 4.2 in excess of amounts required hereunder to pay the Redemption Price (it being acknowledged that the Trustee has no obligation to invest any such deposit).

(d) If less than all of the outstanding Notes are to be redeemed, the Trustee will select, on a *pro rata* basis, by lot or such other method it deems fair and appropriate or as required by the Depository for Global Notes, subject to Applicable Procedures (in the case of Global Notes), the Notes or portions thereof of the Global Notes or the Notes in certificated form to be redeemed (in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof). The Notes (or portions thereof) so selected for redemption shall be deemed duly selected for redemption for all purposes hereof.

Section 4.3 Payment of Notes Called for Redemption by the Company.

(a) If notice of redemption has been given as provided in Section 4.2, the Notes or portion of Notes with respect to which such notice has been given shall become due and payable and if the Paying Agent holds funds sufficient to pay the Redemption Price of the Notes on the Redemption Date and at the place or places stated in such notice at the Redemption Price, and unless the Company defaults in the payment of the Redemption Price, then on and after such date (i) interest will cease to accrue on any Notes called for redemption at the Redemption Date, (ii) on and after the Redemption Date (unless the Company defaults in the payment of the Redemption Price) such Notes shall cease to be entitled to any benefit or security under the Indenture and (iii) the Holders thereof shall have no right in respect of such Notes except the right to receive the Redemption Price thereof. On presentation and surrender of such Notes at a place of payment in

said notice specified, the said Notes or the specified portions thereof shall be paid and redeemed by the Company at the Redemption Price, together with interest accrued thereon to, but excluding, the Redemption Date. Such will be the case whether or not book-entry transfer of the Notes in book-entry form is made and whether or not the Notes in certificated form, together with necessary endorsements, are delivered to the Paying Agent; *provided, however*, if the Redemption Date falls after a Record Date and on or prior to the corresponding Interest Payment Date, the Company will pay the full amount of accrued and unpaid interest and premium, if any, due on such Interest Payment Date to the Holder of record at the close of business on the corresponding Record Date.

(b) Upon presentation of any Note redeemed in part only, the Company shall execute and the Trustee shall authenticate and make available for delivery to the Holder thereof, at the expense of the Company, a new Note or Notes, of authorized denominations, in principal amount equal to the unredeemed portion of the Notes so presented.

ARTICLE V GUARANTEE

Sections 5.1, 5.2 and 5.3 hereof shall replace Sections 12.1, 12.2 and 12.3 of the Base Indenture with respect to the Notes and the Note Guarantee.

Section 5.1 Note Guarantee.

(a) Subject to this Article 5, each Guarantor hereby fully and unconditionally guarantees, on a joint and several basis, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, that:

(1) the principal of, premium, if any, and interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium on, if any, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Company under the Indenture or the Notes, and interest, if any, on, the Notes, if lawful, and all other obligations of the Company to the Holders or the Trustee under the Indenture or the Notes (including fees and expenses) will be promptly paid in full or performed, all in accordance with the terms under the Indenture or the Notes; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, each Guarantor will be obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) Each Guarantor hereby agrees that its obligations under the Indenture and the Notes are full and unconditional, irrespective of the validity, regularity or enforceability of the Indenture or the Notes, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions of the Indenture or the Notes, the recovery

of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of such Guarantor. Each Guarantor hereby agrees that in the event of a default in payment of the principal of or interest on the Notes entitled to the Guarantee, whether at the Stated Maturity or by declaration of acceleration, call for redemption or otherwise, legal proceedings may be instituted by the Trustee on behalf of the Holders or, subject to Section 6.7 of the Base Indenture, by the Holders, on the terms and conditions set forth in the Indenture, directly against such Guarantor to enforce the Guarantee without first proceeding against the Company. Each Guarantor hereby (i) waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever, (ii) acknowledges that any agreement, instrument or document evidencing the Guarantee may be transferred and that the benefit of its obligations hereunder shall extend to each holder of any agreement, instrument or document evidencing the Guarantee without notice to it and (iii) covenants that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Indenture and the Notes.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, any Guarantor or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or such Guarantor, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VII for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article VII, such obligations (whether or not due and payable) will forthwith become due and payable by such Guarantor for the purpose of this Note Guarantee.

Section 5.2 Execution and Delivery of Note Guarantee.

To evidence its Note Guarantee set forth in Section 5.1, each Guarantor hereby agrees that this Sixteenth Supplemental Indenture will be executed on its behalf by one of its Officers. If an Officer of such Guarantor whose signature is on this Sixteenth Supplemental Indenture no longer holds that office at the time the Trustee authenticates the Note on which the Note Guarantee of such Guarantor is endorsed, such Note Guarantee will be valid nevertheless. The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Sixteenth Supplemental Indenture on behalf of such Guarantor.

Section 5.3 Limitation of Guarantors' Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of each Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to the Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and each Guarantor hereby irrevocably agree that the obligations of each Guarantor will be limited to the maximum amount that will not, after giving effect to all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, result in the obligations of such Guarantor under its Note Guarantee constituting a fraudulent transfer or conveyance.

Section 5.4 Application of Certain Terms and Provisions to the Guarantors.

(a) For purposes of any provision of the Indenture which provides for the delivery by any Guarantor of an Officer's Certificate and/or an Opinion of Counsel, the definitions of such terms in Section 1.2 shall apply to such Guarantor as if references therein to the Company were references to such Guarantor.

(b) Any notice or demand which by any provision of the Indenture is required or permitted to be given or served by the Trustee or by the Holders of Notes to or on any Guarantor may be given or served as described in Section 10.2 of the Base Indenture as if references therein to the Company were references to such Guarantor.

(c) Upon any demand, request or application by any Guarantor to the Trustee to take any action under the Indenture, such Guarantor shall furnish to the Trustee such Officer's Certificate and Opinion of Counsel as are required in Section 10.1 as if all references therein to the Company were references to such Guarantor.

ARTICLE VI
ADDITIONAL COVENANTS

The covenants set forth in Sections 4.1, 4.3 and 4.4 of the Base Indenture and the following additional covenants shall apply with respect to the Notes so long as any of the Notes remain outstanding:

Section 6.1 Limitations on Incurrence of Debt.

(a) *Limitation on Total Outstanding Debt.* The Company will not, and will not permit any Subsidiary to, incur any Debt (including, without limitation, Acquired Debt) if, immediately after giving effect to the incurrence of such Debt and the application of the proceeds from such Debt on a pro forma basis, the aggregate principal amount of all of the Company's and its Subsidiaries' outstanding Debt is greater than 60% of the sum of the following (without duplication): (1) the Company's and its Subsidiaries' Total Assets as of the last day of the then most recently ended fiscal quarter covered in the Parent's annual or quarterly report most recently furnished to Holders of the Notes or filed with the SEC, as the case may be, and (2) the aggregate purchase price of any real estate assets or mortgages receivable acquired, and the aggregate amount of any securities offering proceeds received (to the extent such proceeds were not used to acquire real estate assets or mortgages receivable or used to reduce Debt), by the Company or any Subsidiary since the end of such fiscal quarter, including the proceeds obtained from the incurrence of such additional Debt and any substantially concurrent offering of other securities.

(b) *Limitation on Secured Debt.* The Company will not, and will not permit any of its Subsidiaries to, incur any Debt (including, without limitation, Acquired Debt) secured by any Lien on any of its or any of its Subsidiaries' property or assets, whether owned on the date of the Indenture or subsequently acquired, if, immediately after giving effect to the incurrence of such Debt and the application of the proceeds from such Debt on a pro forma basis, the aggregate principal amount of all of the Company's and its Subsidiaries' outstanding Debt which is secured by a Lien on any of its or its Subsidiaries' property or assets is greater than 40% of the sum of (without duplication): (1) the Company's and its Subsidiaries' Total Assets as of the last day of the then most recently ended fiscal quarter covered in the Parent's annual or quarterly report most recently furnished to Holders of the Notes or filed with the SEC, as the case may be; and (2) the aggregate purchase price of any real estate assets or mortgages receivable acquired, and the aggregate amount of any securities offering proceeds received (to the extent such proceeds were not used to acquire real estate assets or mortgages receivable or used to reduce Debt), by the Company or any of its Subsidiaries since the end of such fiscal quarter, including the proceeds obtained from the incurrence of such additional Debt and any substantially concurrent offering of other securities.

(c) *Debt Service Test.* The Company will not, and will not permit any of its Subsidiaries to, incur any Debt (including without limitation Acquired Debt) if the ratio of the Company's and its Subsidiaries' EBITDA to the Company's and its Subsidiaries' Interest Expense for the period consisting of the four consecutive fiscal quarters ending with the latest quarter covered in the Parent's annual or quarterly report most recently furnished to Holders of the Notes or filed with the SEC, as the case may be, most recently ended prior to the date on which such additional Debt is to be incurred shall have been less than 1.5:1 on a pro forma basis after giving effect to the incurrence of such Debt and the application of the proceeds from such Debt, and calculated on the following assumptions:

(1) such Debt and any other Debt (including, without limitation, Acquired Debt) incurred by the Company or any of its Subsidiaries since the first day of such four-quarter period had been incurred, and the application of the proceeds from such Debt (including to repay or retire other Debt) had occurred, on the first day of such period;

(2) the repayment or retirement of any other Debt of the Company or any of its Subsidiaries since the first day of such four-quarter period had occurred on the first day of such period (except that, in making this computation, the amount of Debt under any revolving credit facility, line of credit or similar facility will be computed based upon the average daily balance of such Debt during such period); and

(3) in the case of any acquisition or disposition by the Company or any of its Subsidiaries of any asset or group of assets with a fair market value (as determined by the Company in its reasonable discretion) in excess of \$1,000,000 since the first day of such four-quarter period, whether by merger, stock purchase or sale or asset purchase or sale or otherwise, such acquisition or disposition had occurred as of the first day of such period with the appropriate adjustments with respect to such acquisition or disposition being included in such pro forma calculation.

(d) If the Debt giving rise to the need to make the calculation described in this Section 6.1 or any other Debt incurred after the first day of the relevant four-quarter period bears interest at a floating rate, then, for purposes of calculating the Interest Expense, the interest rate on such Debt will be computed on a pro forma basis by applying the average daily rate which would have been in effect during the entire four quarter period to the greater of the amount of such Debt outstanding at the end of such period or the average amount of such Debt outstanding during such period.

(e) *Maintenance of Total Unencumbered Assets.* The Company will not have at any time Total Unencumbered Assets of less than 150% of the aggregate principal amount of all of its and its Subsidiaries' outstanding Unsecured Debt determined on a consolidated basis in accordance with GAAP.

Section 6.2 Existence.

Except as permitted by Section 6.3, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence, rights (charter and statutory) and franchises, and each Guarantor will do or cause to be done all things necessary to preserve and keep in full force and effect its existence, rights (charter and statutory) and franchises; *provided, however*, that neither the Company nor any Guarantor will be required to preserve any right or franchise if the Parent's board of directors (or any duly authorized committee of that board of directors), as the case may be, determines that the preservation of the right or franchise is no longer desirable in the conduct of the Company or such Guarantor's business.

Section 6.3 Merger, Consolidation or Sale.

The Company and each of the Guarantors may consolidate with, or sell, lease or convey all or substantially all of the Company's or its assets to, or merge with or into, any other entity, *provided* that the following conditions are met:

(a) the Company or such Guarantor, as the case may be, shall be the continuing entity, or the successor entity (if other than the Company or such Guarantor, as the case may be) formed by or resulting from any consolidation or merger or which shall have received the transfer of assets shall be domiciled in the United States, any state thereof or the District of Columbia and in the case of the Company shall expressly assume by supplemental indenture payment of the principal of and interest on all of the Notes and the due and punctual performance and observance of all of the covenants and conditions in the Indenture or, in the case of such Guarantor, shall expressly assume by supplemental indenture the payment of all amounts due under such Guarantor's Note Guarantee and the due and punctual performance and observance of all of the covenants and conditions of such Guarantor in the Indenture and the Note Guarantee, as the case may be;

(b) immediately after giving effect to the transaction, no Event of Default under the Indenture, and no event which, after notice or the lapse of time, or both, would become an Event of Default, shall have occurred and be continuing; and

(c) an Officer's Certificate and Opinion of Counsel covering these conditions shall be delivered to the Trustee.

In the event of any transaction described in and complying with the conditions listed in this Section 6.3 in which the Company and/or any Guarantor are not the continuing entity, the successor person formed or remaining shall succeed, and be substituted for, and may exercise every right and power of the Company and/or such Guarantor, and the Company and/or such Guarantor shall be discharged from its or their obligations under the Notes and the Indenture.

Section 6.4 Payment of Taxes and Other Claims.

The Company and each Guarantor will each pay or discharge or cause to be paid or discharged before it becomes delinquent: (i) all taxes, assessments and governmental charges levied or imposed on it or any of its Subsidiaries or on its or any such Subsidiary's income, profits or property; and (ii) all lawful claims for labor, materials and supplies that, if unpaid, might by law become a Lien upon its property or the property of any of its Subsidiaries; *provided, however*, that neither the Company nor any Guarantor will be required to pay or discharge or cause to be paid or discharged any tax, assessment, charge or claim the amount, applicability or validity of which is being contested in good faith.

Section 6.5 Provision of Financial Information.

(a) For as long as the Notes are outstanding, the Parent will file with the Trustee, within 15 days after the Parent is required to file the same with the SEC, copies of the annual and quarterly reports and the information, documents and other reports (or copies of such portions of any of the foregoing as the SEC may from time to time by rules and regulations prescribe) that the Parent may be required to file with the SEC pursuant to Section 13 or Section 15(d) of the Exchange Act; or, if the Parent is not required to file information, documents or reports with the SEC pursuant to either Section 13 or Section 15(d) of the Exchange Act, the Parent will file with the Trustee and the SEC, in accordance with any other rules and regulations that may be prescribed from time to time by the SEC, such annual and quarterly reports and supplementary and periodic information, documents and reports that may be required pursuant to Section 13 of the Exchange Act, in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time by the SEC in such rules and regulations.

(b) In addition to clause (a) above, for as long as the Notes are outstanding, if at any time the Parent is not subject to Section 13 or Section 15(d) of the Exchange Act and the Parent is not providing annual and quarterly reports and supplementary and periodic information, documents and reports to the SEC and the Trustee pursuant to the previous paragraph, the Parent will, at its option, either (i) post on a publicly available website or (ii) post on IntraLinks or any comparable password protected online data system requiring user identification and a confidentiality acknowledgement (a "**Confidential Datasite**"), within 15 days of the filing date that would be applicable to a non-accelerated filer at that time pursuant to applicable SEC rules and regulations, the quarterly and audited annual financial statements and accompanying disclosure described in Item 303 of Regulation S-K ("management's discussion and analysis of financial condition and results of operations") that would be required to be contained in annual reports on Form 10-K and quarterly reports on Form 10-Q, respectively, required to be filed with the SEC if the Parent were subject to Section 13(a) or Section 15(d) of the Exchange Act. If the Parent elects to furnish such reports via a Confidential Datasite, access to such Confidential Datasite will be provided promptly upon request to Holders and beneficial owners of, and bona fide potential investors in, the Notes as well as securities analysts and market makers and no such request for access to such Confidential Datasite will be unreasonably denied.

(c) Reports and other documents filed by the Parent with the SEC and publicly available via the EDGAR system, a publicly available website or a Confidential Datasite will be deemed to be delivered to the Trustee as of the time such filing is publicly available via EDGAR, such publicly available website or such Confidential Datasite for purposes of this Section 6.5. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including its compliance with any of its covenants under the Indenture relating to the Notes (as to which the Trustee is entitled to conclusively rely on an Officer's Certificate). The Trustee shall not be obligated to monitor or confirm on a continuing basis or otherwise our compliance with the covenants or with respect to any reports or other documents filed with the SEC under the indenture. In addition, if the Company becomes an SEC filer, the reports of the Company will be deemed to satisfy this Section 6.5.

(d) In the event that any direct or indirect parent company of the Parent becomes a guarantor of the Notes, the Parent may satisfy its obligations under this Section 6.5 to provide financial information of the Parent by furnishing the equivalent financial information relating to such parent; *provided* that such equivalent financial information is accompanied by consolidating financial information that explains in reasonable detail the differences between the information for such parent, on the one hand, and the information for the Parent and its consolidated subsidiaries, on the other hand.

Section 6.6 Maintenance of Properties.

The Company will cause all of its properties used or useful in the conduct of its business or the business of any Subsidiary to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and cause all necessary repairs, renewals, replacements, betterments and improvements to be made, all as in the judgment of the Company may be necessary in order for the Company to at all times properly and advantageously conduct its business carried on in connection with such properties; *provided* that the Company and its Subsidiaries shall be permitted to sell or transfer properties in the ordinary course of business.

Section 6.7 Insurance.

The Company will, and will cause each of its Subsidiaries to, keep in force upon all of its and each of its Subsidiaries' properties and operations insurance policies carried with responsible companies in such amounts and covering all such risks as is customary in the industry in which the Company and its Subsidiaries do business in accordance with prevailing market conditions and availability.

Section 6.8 General.

DEFAULTS AND REMEDIES**

Sections 7.1 and 7.2 hereof shall replace Sections 6.1 and 6.2 of the Base Indenture with respect to the Notes only.

Section 7.1 Events of Default.

“**Event of Default**,” wherever used herein or in the Base Indenture with respect to the Notes, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default for 30 days in the payment of any installment of interest under the Notes;

(b) default in the payment of the principal amount or Redemption Price due with respect to the Notes, when the same becomes due and payable; *provided, however*, that a valid extension of the Stated Maturity of the Notes in accordance with the terms of the Indenture shall not constitute a default in the payment of principal;

(c) failure by the Company or any of the Guarantors to comply with any of the Company’s or such Guarantor’s respective other agreements in the Notes or the Indenture with respect to the Notes upon receipt by the Company of notice of such default by the Trustee or by Holders of not less than 25% in aggregate principal amount of the Notes then outstanding and the Company’s failure to cure (or obtain a waiver of) such default within 60 days after it receives such notice;

(d) failure to pay any Debt (other than Non-Recourse Debt) for monies borrowed by the Company, any Guarantor or any of their respective Significant Subsidiaries in an outstanding principal amount in excess of \$100,000,000 at final maturity or upon acceleration after the expiration of any applicable grace period, which Debt (other than Non-Recourse Debt) is, or has become, the primary obligation of the Company or such Guarantor and is not discharged, or such default in payment or acceleration is not cured or rescinded, within 60 days after written notice to the Company from the Trustee (or to the Company and the Trustee from Holders of at least twenty five percent (25%) in principal amount of the outstanding Notes); or

(e) the Company, any Guarantor or any of their respective Significant Subsidiaries pursuant to or under or within meaning of any Bankruptcy Law:

(i) commences a voluntary case or proceeding seeking liquidation, reorganization or other relief with respect to the Company, any such Guarantor or any such Significant Subsidiary or its debts or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company, any such Guarantor or any such Significant Subsidiary or any substantial part of the property of the Company, any such Guarantor or any such Significant Subsidiary; or

(ii) consents to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against the Company, any such Guarantor or any such Significant Subsidiary; or

(i) is for relief against the Company, any Guarantor or any of their respective Significant Subsidiaries in an involuntary case or proceeding;

(ii) appoints a trustee, receiver, liquidator, custodian or other similar official of the Company, any such Guarantor or any such Significant Subsidiary or any substantial part of the property of the Company, any such Guarantor or any such Significant Subsidiary; or

(iii) orders the liquidation of the Company, any such Guarantor or any such Significant Subsidiary, in each case in this clause (g), the order or decree remains unstayed and in effect for thirty (30) calendar days.

The term “Bankruptcy Law” means title 11, U.S. Code or any similar Federal or State law for the relief of debtors.

Section 7.2 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default with respect to the Notes occurs and is continuing (other than an Event of Default referred to in Sections 7.1(e), 7.1(f) or 7.1(g), which shall result in an automatic acceleration), then in every such case the Trustee or the Holders of not less than 25% in principal amount of the outstanding Notes may declare the principal amount of and accrued and unpaid interest, if any, on all of the outstanding Notes to be due and payable immediately, by a written notice thereof to the Company and the Parent (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) and accrued and unpaid interest, if any, shall become immediately due and payable. If an Event of Default specified in Sections 7.1(e), 7.1(f) or 7.1(g) shall occur, the principal amount (or specified amount) of and accrued and unpaid interest, if any, on all outstanding Notes shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

At any time after the principal amount of and premium, if any, and interest on the Notes shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, Holders of a majority in aggregate principal amount of the Notes then outstanding on behalf of the Holders of all of the Notes then outstanding, by written notice to the Company and to the Trustee, may waive all Defaults or Events of Default and rescind and annul such declaration and its consequences, subject in all respects to Section 6.13 of the Base Indenture, if: (a) the Company or any Guarantor has deposited with the Trustee all required payments of the principal of, and premium, if any, and interest on, the Notes, plus the reasonable compensation and reimbursement for the Trustee's expenses, disbursements and advances pursuant to Section 7.7 of the Base Indenture; and (b) all Events of Default, other than the non-payment of accelerated principal of (or specified portion thereof), or premium, if any, and interest on, the Notes that have become due solely because of such acceleration, have been cured or waived. No such rescission and annulment shall extend to or shall affect any subsequent Default or Event of Default, or shall impair any right consequent thereon. The Company shall notify in writing a Responsible Officer of the Trustee, promptly upon becoming aware thereof, of any Event of Default, as provided in Section 4.3 of the Base Indenture and the steps to be taken to cure such Event of Default.

ARTICLE VIII AMENDMENTS AND WAIVERS

Sections 8.1 and 8.2 hereof shall replace Sections 9.1 and 9.2 of the Base Indenture with respect to the Notes only.

Section 8.1 Without Consent of Holders.

Upon the written request of the Company, accompanied by a copy of the resolutions of the board of directors of the Parent certified by the corresponding Secretary or Assistant Secretary, authorizing the execution of any supplemental indenture, the Trustee is hereby authorized to join with the Company and the Guarantors in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations that may be therein contained and to accept the conveyance, transfer and assignment of any property thereunder, but the Trustee shall not be obligated to, but may in its discretion, enter into any supplemental indenture that affects the Trustee's own rights, duties or immunities under the Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section 8.1 may be executed by the Company, the Guarantors and the Trustee without the consent of the Holders of any of the Notes at the time outstanding, notwithstanding any of the provisions of Section 8.2.

Section 8.2 With Consent of Holders.

- (f) make the principal of, or premium, if any, or interest on, the Notes payable in any currency other than that stated in the Notes;

Upon the written request of the Company, accompanied by a copy of the resolutions of the board of directors of the Parent certified by the corresponding Secretary or Assistant Secretary, authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of Holders as aforesaid, the Trustee shall join with the Company and the Guarantors in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under the Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture. In executing or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modification thereby of the trusts created by the Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel or an Officer's Certificate or both stating that the execution of such supplemental indenture is authorized or permitted by the Indenture, that all conditions precedent to the execution of such supplemental indenture have been complied with, and that the supplemental indenture is a legal, valid and binding obligation of the Company and each Guarantor, as applicable, enforceable against it in accordance with its terms.

It shall not be necessary for the consent of the Holders under this Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Upon any such assumption, the Parent or such Subsidiary shall succeed the Company, and be substituted for and may exercise every right and power of the Company, under the Indenture with the same effect as if the Parent or such Subsidiary had been the issuer of the Notes, and the Company shall be released from all obligations and covenants with respect to the Notes. No such assumption shall be permitted unless the Parent has delivered to the Trustee (i) an Officer's Certificate and an Opinion of Counsel, each stating that such assumption and supplemental indenture comply with this Section 8.3 and Article V of the Base Indenture, and that all conditions precedent in the Indenture provided for relating to such transaction have been complied with and that, in the event of assumption by a Subsidiary, the Note Guarantee and all other covenants of the Parent in the Indenture remain in full force and effect and (ii) an opinion of independent counsel that the Holders of the Notes shall have no materially adverse United States federal tax consequences as a result of such assumption, and that, if any Notes are then listed on the New York Stock Exchange, that the Notes shall not be delisted as a result of such assumption.

Section 9.1 Purposes for Which Meetings May Be Called.

A meeting of Holders may be called at any time and from time to time pursuant to this Article IX to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other act provided by the Indenture to be made, given or taken by Holders.

Section 9.2 Call, Notice and Place of Meetings.

(a) The Trustee may at any time call a meeting of Holders for any purpose specified in Section 9.1, to be held at such time and at such place in The City of New York, New York as the Trustee shall determine. Notice of every meeting of Holders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 10.2 of the Base Indenture, not less than 21 nor more than 180 days prior to the date fixed for the meeting.

(b) In case at any time the Company, any Guarantor or the Holders of at least 10% in principal amount of the outstanding Notes shall have requested the Trustee to call a meeting of the Holders for any purpose specified in Section 9.1, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed notice of or made the first publication of the notice of such meeting within 21 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Company, such Guarantor, if applicable, or the Holders in the amount above specified, as the case may be, may determine the time and the place in the City of New York, New York, for such meeting and may call such meeting for such purposes by giving notice thereof as provided in clause (a) of this Section 9.2.

The only persons who shall be entitled to be present or to speak at any meeting of Holders shall be the persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel, any representatives of any Guarantor and its counsel and any representatives of the Company and its counsel.

In the absence of a quorum within 30 minutes after the time appointed for any such meeting, the meeting shall, if convened at the request of Holders, be dissolved. In any other case the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 9.2, except that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the principal amount of the outstanding Notes which shall constitute a quorum.

Except as limited by the proviso to Section 8.2, any resolution presented at a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted only by the affirmative vote of the Holders of a majority in principal amount of the outstanding Notes; *provided*, *however*, that, except as limited by the proviso to Section 8.2, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action which the Indenture expressly provides may be made, given or taken by the Holders of a specified percentage, which is less than a majority, in principal amount of the outstanding Notes may be

adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in principal amount of the outstanding Notes. Any such resolution passed or decision taken at any meeting of Holders duly held in accordance with this Section 9.4 shall be binding on all the Holders, whether or not such Holders were present or represented at the meeting.

(a) Notwithstanding any other provisions of the Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders in regard to proof of the holding of Notes and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate.

(b) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders as provided in Section 9.2(b), in which case the Company, the Guarantors or the Holders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the persons entitled to vote a majority in principal amount of the outstanding Notes of such series represented at the meeting.

(c) At any meeting, each Holder or proxy shall be entitled to one vote for each \$1,000 principal amount of Notes held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Note challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote, except as a Holder or proxy.

(d) Any meeting of Holders duly called pursuant to Section 9.2 at which a quorum is present may be adjourned from time to time by persons entitled to vote a majority in principal amount of the outstanding Notes represented at the meeting; and the meeting may be held as so adjourned without further notice.

The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in triplicate of all votes cast at the meeting. A record, at least in triplicate, of the proceedings of each meeting of Holders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 9.2 and, if applicable, Section 9.4. Each copy

shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Company and the Guarantors, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

4.900% SENIOR NOTES DUE 2032

This Note is one of a duly authorized issue of Securities of the Company, designated as its 4.900% Senior Notes due 2032 (herein called the “Notes”), issued under and pursuant to an Indenture dated as of May 11, 2021 (herein called the “Base Indenture”), among the Company, the Guarantors and Computershare Trust Company, N.A. (as successor to Wells Fargo Bank, National Association), as trustee (herein called the “Trustee”), as supplemented by the Sixteenth Supplemental Indenture, dated as of July 6, 2026 (herein called the “Sixteenth Supplemental Indenture,” and together with the Base Indenture, the “Indenture”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company, the Guarantors and the Holders of the Notes. Capitalized terms used but not otherwise defined in this Note shall have the respective meanings ascribed thereto in the Indenture.

If an Event of Default (other than an Event of Default specified in Sections 7.1(e), 7.1(f) and 7.1(g) of the Sixteenth Supplemental Indenture with respect to the Company) occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all Notes may be declared to be due and payable by either the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, and, upon said declaration the same shall be immediately due and payable. The Indenture contains provisions permitting the Company, the Guarantors and the Trustee, with the consent of the Holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the Holders of the Notes, subject to exceptions set forth in Section 8.2 of the Sixteenth Supplemental Indenture. Subject to the provisions of the Indenture, the Holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding may, on behalf of the Holders of all of the Notes, waive any past default or Event of Default, subject to exceptions set forth in the Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall impair, as among the Company and the Holder of the Notes, the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Note at the place, at the respective times, at the rate and in the coin or currency prescribed herein and in the Indenture.

Interest on the Notes shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

The Notes are issuable in fully registered form, without coupons, in minimum denominations of \$2,000 principal amount and any multiple of \$1,000. At the office or agency of the Company referred to on the face hereof, and in the manner and subject to the limitations provided in the Indenture, without payment of any service charge but with payment of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in connection with any registration or exchange of Notes, Notes may be exchanged for a like aggregate principal amount of Notes of any other authorized denominations.

The Notes are not subject to redemption through the operation of any sinking fund.

The obligations of each Guarantor to the Holders of the Notes and to the Trustee pursuant to the Note Guarantee and the Indenture are expressly set forth in Article V of the Sixteenth Supplemental Indenture and reference is hereby made to such Indenture for the precise terms of the Note Guarantee.

LATHAM & WATKINS LLP

As such counsel, we have examined such matters of fact and questions of law as we have considered appropriate for purposes of this letter. With your consent, we have relied upon certificates and other assurances of officers of the Operating Partnership, the Guarantors and others as to factual matters without having independently verified such factual matters. We are opining herein as to general limited partnership law of the State of Delaware, and the internal laws of the State of New York, and we express no opinion with respect to the applicability thereto, or the effect thereon, of the laws of any other jurisdiction or, in the case of Delaware, any other laws, or as to any matters of municipal law or the laws of any local agencies within any state. Various issues pertaining to Maryland law, including the due authorization of the Notes and Guarantee by the Company, are addressed in the opinion of Venable LLP, separately provided to you. Various issues pertaining to Massachusetts law, including the due authorization of the Guarantee by EHBT I and EHBT II, are addressed in the opinion of Verrill Dana LLP, separately provided to you. We express no opinion with respect to those matters herein, and to the extent elements of those opinions are necessary to the conclusions expressed herein, we have, with your consent, assumed such matters.

Subject to the foregoing and the other matters set forth herein, it is our opinion that, as of the date hereof, when the Notes have been duly executed, issued and authenticated in accordance with the terms of the Indenture and delivered against payment therefor in the circumstances contemplated by the Underwriting Agreement, the Notes and the Guarantees will be legally valid and binding obligations of the Operating Partnership and the Guarantors, as applicable, enforceable against the Operating Partnership and the Guarantors in accordance with their respective terms.

Our opinion is subject to: (a) the effects of bankruptcy, insolvency, reorganization, preference, fraudulent transfer, moratorium or other similar laws relating to or affecting the rights and remedies of creditors; (b) the effects of general principles of equity, whether considered in a proceeding in equity or at law (including the possible unavailability of specific performance or injunctive relief), concepts of materiality, reasonableness, good faith and fair dealing and the discretion of the court before which a proceeding is brought; and (c) the invalidity under certain circumstances under law or court decisions of provisions providing for the indemnification of or contribution to a party with respect to a liability where such indemnification or contribution is contrary to public policy. We express no opinion with respect to (i) consents to, or restrictions upon, governing law, jurisdiction, venue, service of process, arbitration, remedies or judicial relief; (ii) advance waivers of claims, defenses, rights granted by law, or notice, opportunity for hearing, evidentiary requirements, statutes of limitation, trial by jury or at law, or other procedural rights; (iii) waivers of rights or defenses contained in Sections 4.4 of the Base Indenture and Section 5.1(b) of the Supplemental Indenture (except, with respect to Section 5.1(b) of the Supplemental Indenture, to the extent such waiver is limited to the fullest extent that the Guarantors may do so under applicable law) and waivers of broadly or vaguely stated rights; (iv) provisions to the effect that a guarantor is liable as a primary obligor and not as a surety and provisions purporting to waive modifications of any guaranteed obligation to the extent such modification constitutes a

novation; (v) provisions for the payment of attorneys' fees where such payment is contrary to law or public policy; (vi) provisions prohibiting, restricting, or requiring consent to assignment or transfer of any agreement, right or property; (vii) provisions for liquidated damages, default interest, late charges, monetary penalties, prepayment or make-whole premiums or other economic remedies to the extent such provisions are deemed to constitute a penalty; (viii) provisions permitting, upon acceleration of any indebtedness (including the Notes), collection of that portion of the stated principal amount thereof which might be determined to constitute unearned interest thereon; and (ix) the severability, if invalid, of provisions to the foregoing effect.

With your consent, we have assumed (a) that the Notes, the Indenture and the Guarantees (collectively, the "**Documents**") have been duly authorized, executed and delivered by the parties thereto other than the Operating Partnership, (b) that the Documents constitute legally valid and binding obligations of the parties thereto, enforceable against each of them in accordance with their respective terms other than the Operating Partnership and each of the Guarantors and (c) that the status of the Documents as legally valid and binding obligations of the parties is not affected by any (i) breaches of, or defaults under, agreements or instruments, (ii) violations of statutes, rules, regulations or court or governmental orders or (iii) failures to obtain required consents, approvals or authorizations from, or make required registrations, declarations or filings with, governmental authorities.

This opinion is for your benefit in connection with the Registration Statement and may be relied upon by you and by persons entitled to rely upon it pursuant to the applicable provisions of the Act. We consent to your filing this opinion as an exhibit to the Company's Current Report on Form 8-K dated July 6, 2026 and to the reference to our firm contained in the Prospectus under the heading "Legal Matters." In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission thereunder.

Re: Registration Statement on Form S-3 (Registration No. 333-278690)

Ladies and Gentlemen:

We have acted as special Massachusetts counsel to ESS Holdings Business Trust I, a Massachusetts business trust ("ESS I"), and ESS Holdings Business Trust II, a Massachusetts business trust ("ESS II") (each a "Trust" and collectively the "Trusts"), in connection with the issuance by Extra Space Storage LP, a Delaware limited partnership (the "Operating Partnership"), of \$550,000,000 aggregate principal amount of its 4.900% Senior Notes due 2032 (the "Notes") and the guarantee of the Notes (the "Guarantee") by the Trusts and Extra Space Storage Inc., a Maryland corporation (collectively, the "Guarantors"), under an Indenture dated as of May 11, 2021 among the Operating Partnership, the Guarantors, and Computershare Trust Company, N.A. as successor trustee to Wells Fargo Bank, National Association, as supplemented by the Sixteenth Supplemental Indenture dated as of July 6, 2026 (as so supplemented, the "Indenture"). The Notes and the Guarantee are covered by the above-referenced Registration Statement, as amended to date (the "Registration Statement"), filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Act").

In such capacity, we have examined the following documents (the "Documents"):

1. the Registration Statement, including the base prospectus thereof dated April 15, 2024, (i) a preliminary prospectus supplement dated June 24, 2026, and (ii) a final prospectus supplement dated June 24, 2026 (the base prospectus as so supplemented, the "Prospectus");
2. the Indenture (including the Guarantee contained therein) and the form of Note;
3. the Agreement and Declaration of Trust of ESS I, dated and filed with the Secretary of the Commonwealth of Massachusetts (the "Secretary") on May 5, 2004, as amended by a Certificate of Amendment dated September 12, 2005 and filed with the Secretary on September 15, 2005, an Incumbency Certificate dated and filed with the Secretary on October 13, 2016, an Incumbency Certificate dated May 24, 2017 and filed with the Secretary on May 25, 2017, a Unanimous Written Consent dated August 15, 2017 and filed with the Secretary on August 18, 2017, a Unanimous Written Consent in Lieu of Meeting of the Board of Directors of the Trust dated August 1, 2025, and filed with the Secretary on August 1, 2025, and a Report of Voluntary Associations and Trusts, dated May 29, 2026, each of the foregoing as certified by the Secretary on June 16, 2026;

4. the Agreement and Declaration of Trust of ESS II, dated and filed with the Secretary on May 5, 2004, as amended by a Certificate of Amendment dated September 12, 2005 and filed with the Secretary on September 15, 2005, an Incumbency Certificate dated and filed with the Secretary on October 13, 2016, an Incumbency Certificate dated May 24, 2017 and filed with the Secretary on May 25, 2017, a Unanimous Written Consent in Lieu of Meeting of the Board of Directors of the Trust dated August 15, 2017 and filed with the Secretary on August 18, 2017, a Unanimous Written Consent in Lieu of Meeting of the Board of Directors of the Trust dated and filed with the Secretary on August 1, 2025, and a Report of Voluntary Associations and Trusts, dated May 29, 2026, each of the foregoing as certified by the Secretary on June 23, 2026;
5. a Trustee's Certificate of each Trust, dated as of the date hereof, certifying as to the accuracy and completeness of copies of the Agreement and Declaration of Trust of each Trust, the identity of the trustees of each Trust (the "Trustees"), and the adoption of certain resolutions by the Trustees relating to the Notes and the Guarantee; and
6. certificates of the Secretary, each dated June 15, 2026, attesting to the legal existence of each Trust (the "Legal Existence Certificates").

In such examination, we have assumed without verification (i) the genuineness of all signatures, including the compliance of all electronic signatures with all laws relating thereto, (ii) the authenticity of all documents, agreements, and instruments submitted to us as originals, (iii) the conformity to original documents, agreements, and instruments of all documents, agreements, and instruments submitted to us as copies or specimens, (iv) the authenticity of the originals of such documents, agreements, and instruments submitted to us as copies or specimens, (v) the accuracy of the matters set forth in the documents, agreements, and instruments we reviewed, (vi) the accuracy and valid issuance of all public documents, and (vii) the legal capacity and competency of each natural person executing any of the Documents. In reaching the opinions set forth below, we have further assumed that each Trust has received an economic benefit that is fair and sufficient to support its execution and delivery of the Indenture. In addition, we call your attention to the fact that we do not represent the Trusts generally. Accordingly, in rendering the opinions set forth herein we have relied exclusively on the Documents.

Based on the foregoing and subject to the assumptions and qualifications set forth below, it is our opinion that:

1. Based solely on the Legal Existence Certificates and as of the date of the Legal Existence Certificates, each Trust is a trust validly existing and authorized to transact business in the Commonwealth of Massachusetts.
2. The Trustees have power and authority as trustees sufficient for the execution and delivery of the Indenture (including the Guarantee contained therein) on behalf of their respective Trusts and the performance of their obligations thereunder.

3. The execution, delivery, and performance of the Indenture (including the Guarantee contained therein) by each Trust have been duly authorized by all necessary trustee action of such Trust.

We are opining only as to the matters expressly set forth herein, and no opinion should be inferred as to any other matters. Our opinions are limited solely to the laws of the Commonwealth of Massachusetts. We note that the Indenture states that it shall be governed by the laws of the State of New York.
